#1

AMENDMENT IN THE NATURE OF A SUBSTITUTE TO H. RES. 267

OFFERED BY MR. SOUDER

Strike the preamble and the resolve clause and insert the following:

- Whereas recently released statistics demonstrate that America is not winning the battle to keep young Americans drug-free;
- Whereas the results of these studies show that 29 percent of high school students state that a student in their school died from a drug-related or an alcohol-related incident in the last year;
- Whereas 76 percent of high school students and 46 percent of middle school students claim drugs are kept, used, or sold on their school grounds;
- Whereas studies show that 61 percent of high school students claim they can buy drugs within 1 day and 35 percent claim they can buy drugs within 1 hour or less;
- Whereas it is reported that the use of heroin is increasing and that 90 percent of new heroin users are under 26 years old;
- Whereas the use of drugs at a young age dramatically increases the risk of failure to complete high school, increases the likelihood of committing crimes, and reduces future prospects in education, athletics, and careers;
- Whereas it is known that safe, drug-free, and orderly classrooms are key to an effective learning environment;

2 Whereas parental involvement is critical to helping young Americans resist the temptations of drugs and to establishing a healthy learning environment; Whereas violent crime rates across the United States have declined due to strong parental involvement and cooperation among local, State, and Federal law enforcement agencies; Whereas the same unified effort and commitment are needed to fight drugs in our schools, playgrounds, and communities; and Whereas Congress has the unique ability to provide leadership on this issue by raising awareness of the dangers of drugs in schools in every community across this great Nation: Now, therefore, be it Resolved, That it is the sense of the Congress that-1 (1) all schools should be drug-free; 2 (2) the distribution, sale, and use of illegal 3 drugs in the Nation's schools is unacceptable; 4 (3) all Federal, State, and local drug fighting 5 agencies should work together with schools and par-6 ents to ensure that a renewed effort is made to fight 7 the distribution, sale, and use of illegal drugs in our 8 schools and to America's youth; 9 (4) all governmental leaders, educators, and 10 parents share a role in raising the awareness of this 11 issue and offering constructive alternatives to illegal 12

drug use; and
